13.1 Ft. / 11.4 Ft.

PARKING:	During the preparations with our production department you will be informed about the parking situation. The possibilities consist of: parking at our nightliner parking, parking at (paid) parking space Mols, or parking in the free parking area nearby the Generaal Maczekstraat in Breda.
LOAD IN/OUT:	At the back of our building you will find the loading dock, as well as our doorbell and artist entrance. (Behind the brown fence)
CREW:	1 x FOH engineer 1 x monitor engineer 1 x light engineer 1 x stagemanager (may differ depending on the circumstances)
TIME SCHEDULE:	Our standard get-in time is 3 or 4 hours prior to doors. The timeschedule will be sent to you by e-mail by our production crew. Please contact her/him for any requests or changes regarding the time schedule. When a band or artist request to have an early get-in (before 14:00hr) we will charge the extra costs.
MERCHANDISING:	There is a merchandise booth available, which can be used without any additional costs. A merchandiser is not included. When a merchandiser is needed, please contact Mezz. Some kind of compensation is required. The placement of the merchandisebooth will always be in our popcafé.
DRESSING ROOMS:	There are 2 dressingrooms with a shared showerfacility and toilet.
PAYMENT:	Payment is by banktransfer only.
SMOKING:	**Smoking is prohibited in MEZZ.**
GUESTLIST:	When no contractual agreement about the guestlist has been made, Mezz maintains a maximum of 20 guests for the headliner and 5 guests for the supportact. Please contact our production crew if you have any requests for the guestlist.
ROUTE:	www.mezz.nl/contact
HOSPITALITY:	We want to take care of the bands requests and preferences, so please send the rider at least two weeks ahead to productie@mezz.nl. When Mezz provides diner it will be served at restaurant 'Nouveau van Ham', a restaurant close to the venue.
HOTEL:	When a hotel is part of the deal, Mezz will, in accordance with the budget, book the requested room(s) at one of the hotels below. Questions regarding the production and technical issues can be e-mailed to: maxwell@mezz.nl or productie@mezz.nl

MAP

For the history geeks among us: we have some interesting facts for you! Mezz is actually built around an old canteen for army officers. This building was set in stone around 1900. The army officers used to "park" their horses outside of the building, next to the porch. Our bronze, modern loading dock on the other side of the building was added a century later.
